About the Races

CELEBRATING 44 YEARS OF RACING THROUGH HISTORY

RACE HISTORY

Since 1980 the Battlefield Marathon series has been offering runners a chance to challenge their physical limits while immersing themselves in the historic, 9,000-acre Chickamauga Battlefield National Park.

The park honors one of the Civil War's most important battles, which we recognize as organizers through the signature cannon shot to start the day.

Additionally, this series is known for its ample sightings of deer and wildlife throughout the course, vibrant Race Village atmosphere, idyllic racing temperatures and creating MARATHONERS on a first-timer friendly course.

HOST ORGANIZATION

The Chickamauga Battlefield Race series is organized, staffed and hosted by the [Chattanooga Track Club](#).

Founded in 1970, CTC is a non-profit organization with the goal of promoting running, walking, and general fitness in the Chattanooga area. The club pursues this goal through a number of activities including weekly group runs, annual road races, youth programs, and social events.

Each year [CTC produces a number of races](#) in addition to the **Chickamauga Battlefield Marathon Series**, including the Raccoon Mountain Road Race, Chickamauga Chase, Chattanooga Chase, Chattanooga Waterfront Triathlon, Missionary Ridge Road Race, Signal Mountain Pie Run, Moccasin Bend Fall Classic 10K, Turkey Trot and Wauhatchie Trail Run.

The club also assists numerous other organizations put on races to raise money or awareness for their causes. The Chattanooga Track Club is a member of the Road Runners Club of America and USA Track & Field.
